August 23, 1988

On Tuesday, August 9, 1988, Larry Van Pelt, Scoutmaster of Troop 12, Berwick, Louisiana, notified me of the following facts. [REDACTED], father of 16 year old Boy Scout [REDACTED], had intercepted and copied a letter from Bea T. Oubre to [REDACTED]. This related to a sexual involvement that had existed since February, 1988. I asked for a copy, on advice of our Council Attorney. A copy is enclosed, in envelope from [REDACTED].

[REDACTED] told me his only interest was to sever the relationship, not to cause legal problems for Mrs. Oubre. To my knowledge, her husband and family are unaware of this matter. He told me that [REDACTED] had asked Mrs. Oubre to break it off with [REDACTED].

Troop 12 was planning a trip to Pensacola, Florida August 12, 13, 14, 1988. Mrs. Oubre was going to assist with transportation. The Troop Committee Chairman asked her to take no part in Troop activities. The Scoutmaster called her, not knowing this, and asked her not to go with the Troop. She told him she was resigning from all Scouting activities and was sorry if she had caused any problems. She also told him she would write to me. These letters are also enclosed.

I have written to her suspending her registration, and am returning her registration fee.

[REDACTED]

I miss you already and you just left. It's strange but I feel so alone when you're gone even though my phone rings every hour on the hour. [REDACTED] I've been searching for so long for something, and I didn't know what it was until I found you. In a sense we have to live every day as if it were our last together. All our plans for the future keep me going but I have to be realistic about our relationship. Every time you get that far away look in your eyes or get silent, my heart sinks and I get panicky. Our lives together right now seem

so very far away, even out of reach. -

Please, take everything that's handed to you in stride. Be a friend to all those who will except your friendship, including [REDACTED]. You really need their friendship now more than ever. Maybe you can try and recapture the friendship you and [REDACTED] have when you get back from camp. I feel I have isolated you from your friends and that's not right. We all need our friends from time to time. (It's funny but you seem to be my best friend.) You usually know what I want before I do.

As I said we're still learning about each other.

Therefore, each time we
more fulfilling each time we
together. I can close my eyes and
feel the warmth of your touch, the
gentleness of your caress. The
one thing that I've wanted in my
life more than anything was to be
truly loved & to be in love, now I
can die being fulfilled. You know
some people live all their lives
and never find what I have.
I feel very fortunate to have
found you at all.

it will
get better and
better,

This Wednesday [redacted]
[redacted] & myself are coming up there.
[redacted] gets off at 11 AM so will leave
at noon. Expect us about 2:30 PM.
We'll go straight to the men hall.
If anyone needs anything from
home I'll pick it up. Jane is writing

██████ about our trip, so shall ask
about bringing anything up there
for the guys. I want to take
██████ down the path,
pass the council ring where Larry
had walked Saturday. If you
need anything call me.
See you soon.

Lovingly yours,
Bea

Larry:

I've already written Stevens
at council and resigned all my
positions.

I don't want you to have to
find the words to tell me what I
already know. You truly don't need
this kind of problem w/ all the
other one's you have w/ the troop.
I'm so sorry you have to go through
this. You above all people whom
I love did not deserve this.

You can rest assured that
you will not have to look at
my face ever again.

You could do one thing
for me if you could, keep me
in your prayers.

If you can in any way
help Robert please try.

Bea

Jerry:
I am so sorry you have
to deal w/ such an unpleasant
issue. I want you to know
that I valued our relationship
and above all I didn't want
to add to your problems.

I have stepped down from
all my position so as not to
cause council any embarrassment
in the future. If anyone needs
my training materials I can send
them to council. I'll try to
fill my position as best I
can.

This I know is a very
serious matter and I'll understand
any position you take. I'm sorry
but I can't bring my self to
see you all. You do what you
have to do to resolve the
situation + I'll comply. You
all have treated me so kindly
and with respect. I'm sorry I
let you down. Ba

Dear Bea:

Thanks for your letter that I received August 15th. I appreciate the fact that you are willing to come to grips with the situation, and resolve it. I, too, am sorry about this. You have been a valued volunteer, and your efforts on behalf of Scouting have meant a great deal to me.

Thank you for resigning your Scouting positions. Under the circumstances, that is the only course of action. Because of these events, I am forced to suspend your BSA membership and refund your registration fee.

I hope that all goes well for you in the future.

Sincerely,

Jerry W. Stevens
